

## **Charming Home in a Quiet Location**

**By Rachel Loveday**

In a quiet cul-de-sac location with access to a private park, complete with tennis courts and a barbecue, this charming brick-veneer residence is ideal for family living.

The house has three bedrooms with built-in wardrobes and a two-way bathroom off the main bedroom.

The spacious kitchen and dining area enjoys a northerly aspect with access to the established back patio and yard.

A charming family home in a quiet location.
